

Meet The Teacher

Mrs. Mendie

About Me!

My name is Mrs. Mendie and I will be your child's teacher this year! Collaboration and creativity are huge in my classroom and I look forward to watching your child grow this year!

In Our Classroom

We will focus on colors, shapes, numbers, letters, pencil grip and scissor practice. Our hope is to have each child ready for 4K come next fall.

We have a bulletin board that will help keep you up to date on our weekly lesson plan as well as our themes for the year, our class schedule, lunch and snack menus.

Please use Procure to keep us updated on if your child will be absent or if you have any questions for myself, Ms. Coni, Mrs. Anna or Ms. Savannah
