

# TLC's Little Comets Learning Center

## Sunscreen Permission Form

All children, infants included, go outside for a minimum of 15 minutes daily (weather permitting), but can spend up to several hours outside enjoying the warm weather! Applying SPF 50 or higher sunscreen is highly recommended, but not required. We also encourage the use of sun protecting clothing such as hats and sunglasses.

Upon parent/guardian approval, we'll provide and apply **Coppertone Kids Sunscreen Lotion SPF 50** to your child for a one time seasonal charge of \$5. If you would like a different brand applied or none at all, please specify below.
